## AVAILABLE SERVICES

### STRATEGIC SOURCING & PROCUREMENT

With an average of 22% material cost savings, Fulton's centralized purchasing process connects your business to our local, regional and national supplier network.

Every order is posted for bid at the line item level of detail and our professional team of buyers will ensure that each purchase meets our strict standards for cost, fill rate, lead-time and delivery.

### INVENTORY MANAGEMENT

After completing a full physical inventory of all warehouses and tool cribs, Fulton will install customized load plans and **demand-based** replenishment systems to minimize stockouts and maximize the turnover of your inventory investment.

### SOFTWARE & FIELD TECHNOLOGY

Fulton has teamed with the industry leading software providers to offer a fully integrated, end-to-end supply chain management solution for your business.

We'll direct the implementation of our perpetual inventory management and order fulfillment systems and train your staff in best practice materials management.
